ZONING

Supplement Accepted

Comment Date: 08/30/2017

Provide information on the hardscape surfaces, including the water feature, located near the garage and between the house and garage.

Note

Comment Date: 08/30/2017

Per the letter dated December 14, 1994 regarding the approval of the Plan Commission on November 14, 1994, item #7 states "The accessory structures are required to be demolished. Building permits are required prior to demolition of any buildings. It must be noted on the plat which structures are to be removed."
