ENGINEERING VERIFICATION**Supplement Accepted****Comment Date:** 12/26/2017

Prior to approval, the owner or owner's representative shall obtain a permit to plug each existing sanitary sewer lateral that serves a building which is proposed for demolition. For each lateral to be plugged the owner shall complete a sewer lateral plugging application and pay the applicable permit fees. The permit application is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>. (MGO CH 35.02(14))

Supplement Required**Comment Date:** 12/26/2017

Egress windows seem to be proposed for the side and rear of the home. Additional detail shall be provided on elevation and construction methods which show that water will not be allowed into the home via these entry points.

Supplement Required**Comment Date:** 12/26/2017

The Applicant shall update plans to show the location of the new home in relation to the lot and adjacent streets.

Supplement Required**Comment Date:** 12/26/2017

The Applicant shall update the plans to show if the existing sanitary sewer later will be used for the new building. If a new lateral will be placed, the plans shall show the sanitary lateral connection to the sanitary sewer main including the size invert elevation and alignment of the proposed service.

Supplement Required**Comment Date:** 12/26/2017

The applicant shall submit, prior to plan sign-off but after all revisions are completed, digital PDF files to the Engineering Division (bstanley@cityofmadison.com). The digital copies shall be to scale, and shall have a scale bar on the plan set. (POLICY and MGO 37.09(2)). PDF submittals shall contain the following information: a) Building footprints, b) Internal walkway areas, c) Internal site parking areas, d) Lot lines and right-of-way lines, e) Street names, f) Stormwater Management Facilities, g) Detail drawings associated with Stormwater Management Facilities (including if applicable planting plans), h) Private on-site sanitary sewer utilities (including all connections to public sanitary), i) Private on-site storm sewer utilities (including all connections to public storm).

Note**Comment Date:** 12/26/2017

Less than 4,000 sf disturbed area, no Erosion Control or Storm Water Management Permits required.

PARKS FORESTRY VERIFICATION**Supplement Accepted****Comment Date:** 12/18/2017

Existing street trees shall be protected. Please include the following note on the site plan: Contractor shall install tree protection fencing in the area between the curb and sidewalk and extend it at least 5 feet from both sides of the tree along the length of the terrace. No excavation is permitted within 5 feet of the outside edge of a tree trunk. If excavation within 5 feet of any tree is necessary, contractor shall contact City Forestry (266-4816) prior to excavation to assess the impact to the tree and root system. Tree pruning shall be coordinated with City Forestry prior to the start of construction. Tree protection specifications can be found in section 107.13 of City of Madison Standard Specifications for Public Works Construction -<http://www.cityofmadison.com/business/pw/documents/StdSpecs/2013/Part1.pdf>. Any tree removals that are required for construction after the development plan is approved will require at least a 72 hour wait period before a tree removal permit can be issued by Forestry, to notify the Alder of the change in the tree plan.

WATER UTILITY VERIFICATION**Note****Comment Date:** 12/20/2017

Well inspection completed on 12/19/17 - no indications of private well were present on site.

ZONING VERIFICATION

Supplement Required **Comment Date:** 12/19/2017

Submit a signed copy of the disposition letter.

Supplement Accepted **Comment Date:** 01/09/2018

Submit the final site plan for review and approval.

Note **Comment Date:** 01/09/2018

The required rear yard area shall remain unoccupied and unobstructed, except for the one-story attached garage encroachment. A one-story garage projection for garage purposes only may project thirty percent (30%) of the least depth into a required rear yard, provided the balance of the rear yard shall remain unoccupied and unobstructed from the ground upward.

Note **Comment Date:** 01/09/2018

Per Section 28.186(4)(b), work with Zoning staff to establish a site compliance date by which the property will be brought into compliance with all elements of the approved site plan.
